From P.

This message from M. arrived today. I know you will pray for them.

-----

*From M. to P. Translation from French*

It's three days that it's not going well. Guerrillas who make trouble are very close to us. They burn houses, loot the possessions of the people. Government soldiers have arrived. I do not know if they will conquer/win the fight. Pray for us.

-----

Il trois jours ça ne vas pas . les guerriers qui font des troubles sont très proches de nous .ils brûlent les maisons , ramassent les bien de la population. les militaires du gouvernement sont arrivés je ne sais pas sils vont vaincre .priez pour nous.
