Dearest P.

We started the activities with the (funds from your) mom

- 1) I invited a doctor to train two mothers who in turn will train the mothers of children who suffer from malnutrition, they live in poor families.
- 2) I bought the soy flour, the corn flour, the cups.
- 3) Support for girls on the day of recollection organized to prepare for Christmas
- 4) Transport costs for the girl who lives in boarding school at
- 5) Purchase clothes at Patience and are children.

To keep the rest I asked my lord to give me the letter of recommendation to open a bank account at the Catholic bank Centenary bank. Everything is done I deposited the rest.

Thank you. Good road to Christmas.
