

Practicing the Presence of God – Reflection on the second conversation

Making the love of GOD one's constant motive may be responded to on the liturgy of dedication to a devoted life given over to GOD and acting purely for the love of GOD. Yet, in focusing on GOD's love we must pray for faith in GOD and to further this with an urgent appeal for His approval.

When we confess our sins, GOD surely knows our heart and responds with His blessings so that we may respect freedom and a joyful season. When we practice our obligation to love GOD, we constantly know Him by working hard every day and serving him throughout our life.

When we become accustomed to acting in every manner for the love of GOD and enjoying every situation by doing the little things for the love of GOD, we may use the example from the Little Flower day by day. Penance and other experiences help us to reach a union with GOD through love and doing all things for GOD's sake.
